

While Terrorism I concentrated on International Terrorism, Terrorism II focuses on understanding and countering the threat from domestic terrorism and domestic terrorist groups.

Topics include:

- The Political Process
- Right-Wing Terrorism
- Single-Issue Terrorism
- The Radicalization Process
- Environmental Extremism
- The White Supremacy Movement
- Inmate Radicalization
- Case Studies in Domestic Terrorism

We strongly recommend this course for all government agencies including law enforcement, fire service, emergency medical services and health providers, emergency management agencies and concerned entities from the private sector.
